Paul,

We don't have an updated schedule from GP on Area 1. If we approve the Area 1 FS in January, I would think we would develop a Proposed Plan in the Spring and have a ROD sometime in fall/winter 2014.

Hope that helps.

Jim

Gents,

Do we have an updated schedule from GP that depicts all the recent changes? Or are we expecting one soon?

Hi Paul, if there is an update on the timeline/schedule at the public meeting, can you let me know. We are interested in the schedule for Area 1 to be sure we are on track with our restoration plan. Thanks.
